Introduction

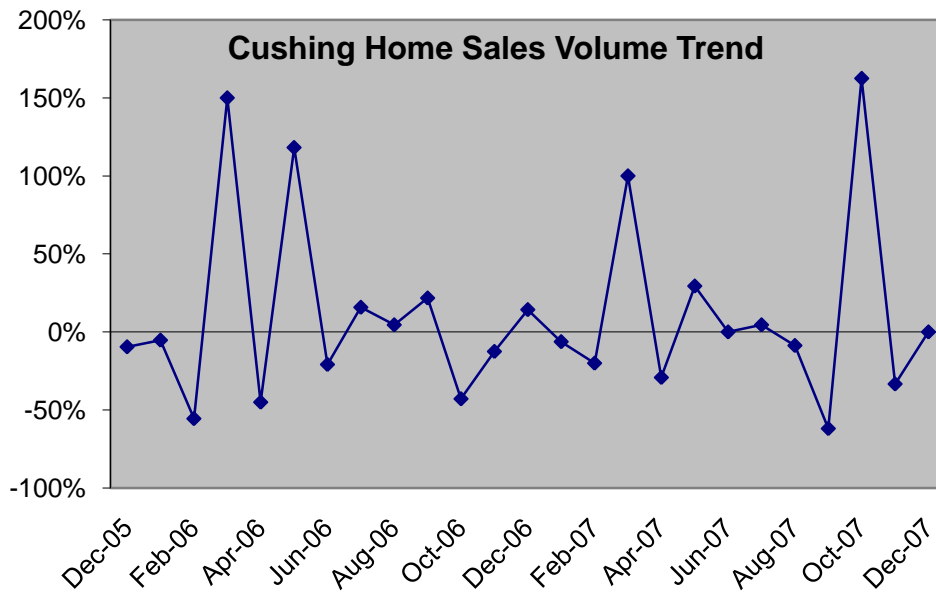

On behalf of the Oklahoma Association of REALTORS, WRS is pleased to present this two-page analysis of the performance of the Cushing real estate market. Data for this analysis was provided by the Oklahoma Association of REALTORS.

Chart 1: Average Home Sale Price Trend.

In this graph the horizontal line represents the national market trend regarding price and volume. It is a constant figure indicated on the graph at zero. The moving line represents the comparable trend in your market. It can be read by looking at a specific point and determining that your trend in housing values and volume is a percentage above or below the national trend. The graphs do not reflect actual value or volume numbers, but rather a performance trend with regard to these numbers in your marketplace.

Chart 2: Home Sales Volume Trend

Key Facts:

- The Cushing market was very solid in 2007, averaging around 1.5% monthly price growth..
- Cushing had several great months in home sales volume this year, seeing a better than 50% upsurges in volume in February and again in October.
